

# MODEL BOATS CLUB

SCOTTISH FISHERIES MUSEUM

The Model Boats Club is based in Anstruther and members build and sail various models of trawlers, steam drifters, battlecruisers and lifeboats.

The members meet up regularly on Thursday and Sunday mornings at Cellardyke pool to sail their boats and have a coffee and a chat.

Club boats are available to try, so if you are interested, come along and see what we do and talk to us.
